Product description:

Robert Parker's Wine Advocate (Stephan Reinhardt, juin 2017) : 94/100. *From vines planted between 1946 and 1953 on the limestone section of the granite terroir, the 2015 Riesling Grand Cru Sommerberg Dudenstein is very clear, pure and flinty on the nose, stunningly cool, very precise and with lovely notes of lemon leaves and peel! Boxler picked the Dudenstein at the first of his grands crus and very early at around 100 degrees Oechsle. The deeper soil produces large Rieslings, but this 2015 is most of all pure, finessed and salty and reveals a lot of vitality and finesse. Drink date 2020-2030*
