**Product description:**

**Robert Parker's Wine Advocate** (William Kelley, janvier 2023) : **92-94/100**. *The 2021 Latricières-Chambertin Grand Cru exhibits aromas of dark wild berries and plums mingled with licorice, forest floor and spices. Medium to full-bodied, fleshy and layered, it's deep and seamless, with a vibrant spine of acidity and powdery structuring tannins, concluding with a long, perfumed finish.*
