**Product description:**

## **Coudoulet de Château Beaucastel 2021 JEROBOAM**

**Robert Parker's Wine Advocate** (Joe Czerwinski, oct. 2023): **92/100**. *A terrific vintage for this wine, which was bottled just a couple of weeks prior to my late June visit, the 2021 Cotes du Rhone Coudoulet de Beaucastel is a blend of 30% each Grenache, Mourvèdre and Syrah, plus 10% Cinsault. From a vineyard just outside the boundaries of the appellation of Châteauneuf-du-Pape, it's a remarkably consistent wine and always a solid value. Scents of sunbaked stones, black cherries and licorice appear on the nose, joined by hints of purple raspberries and dark chocolate, while the medium to full-bodied palate is lush and velvety, finishing long and complex. (drink date: 2023-2035)*
