Product short description:

Robert Parker's Wine advocate (Y. Castaing, juin 2024) : 93/100. *The 2021 David exhales a beautifully refined bouquet of lemon, white fruits and spring flowers with a lactic touch. Medium to full-bodied, satiny and round, it has a fleshy core of fruit, sumptuous dry extracts, delicate texture and elegant notes of spices and oak on the finish. This wine, crafted from loamy, sandy soils and matured one year in a wooden tank, is a real success. DRINK DATE 2024-2040.*
